Other?

My biggest Medicaid issue is...

Open text poll 14 responses 12 participants

Anonymous

NYSOH is still giving out wrong information and we have to advise clients what to do.

Anonymous

Everything is an unknown. We have to train new people “unwind” policy and “normal” policy

Anonymous

Staffing/training Wish better succession planning

Anonymous

Staff stress over the future of the program

Anonymous

Not knowing what the states end game plan is. Will there be a Medicaid presence in 5 years at Idss

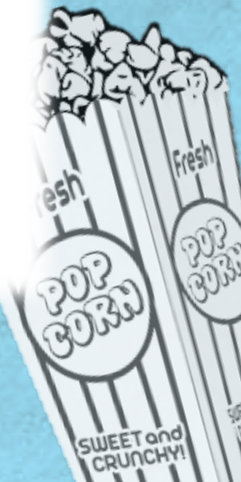

Anonymous

Duplication of work, disconnect between the state and LDSS.

Anonymous

Low staff morale

My biggest Medicaid issue is...

Staffing and retention.

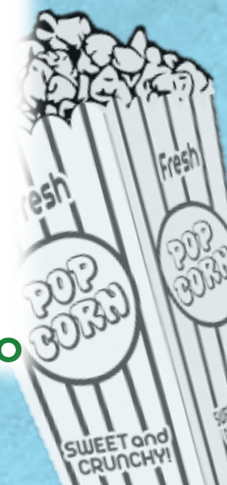

Anonymous
Vague direction

Anonymous
No communication from the state when they mess with our cases in WMS or close NYSoH cases and don't transfer. Clients call US and we have no clue
